Dear Mr Weisberg,

I am trying to assess the role of the House Committee on Assassinations, regarding the JFK issue

Would you say that this Committee was impartial in its findings, or was it attempting a whitewash? Since it h
Not IN ANY WAY yes, to the degree it dared
(having no real choice)
concluded that a conspiracy existed, some people claim that
Never even little on King-Ray,
the investigation was open minded. where it was McCarthyite

I am convinced that this issue will be written up in the future. However, I would appreciate it if any evidence can be found at present

Thank you,

Linda Folk I have (Allen Weingarten
obtained about 200,000
pp of formerly Secret FBI
files. Fighting these lawsuits is more than full time
occupation. To the degree I can file suits
about the more significant records I will be
deported at Univ. Wisconsin (Stevens Point,

Best wishes
